Appetizers with Wine Pairing & Author Carolyn Fyffe at the Plumbs - Caroline Fyffe will be the featured author at an hors d'oeuvres party at Don and Sharon Plumb's home. Caroline will join her husband Mike and share the journey of writing novels with the lucky winner of this event and eight of their friends. Lots of background research goes into publishing and creating... you will be enriched by her comments, indulged by Don's pairing of wine with each of the 15 hors d'oeuvres that Sharon has perfected. The first nibble is a salmon tartar crisp in a cone with a lovely lemon filling and a nice glass of champagne. Scheduling the party in summer is the best because the flow and progress of the party is not complete until the tasting of three amazing desserts served on a little tray like the "cupcake wars" delivery.
