

SHOW CARD INSTRUCTIONS:

Feel free to use this template OR create your own.

All pieces must have a corresponding show card. If you create your own cards, they must include: **your name, title of the work, medium, and price.** We suggest printing 2 copies and affixing the duplicate to the back of your piece. If you aren't in other exhibits, you can cut these cards at the edge under the words *Open Show Express*.

Place completed cards next to their corresponding artwork on your panel. **All titles and prices must match your registration. If there's a discrepancy, the sales team will use the registered price.**
