PreBallet & Tap Combo *NEW CLASS*

Our PreBallet & Tap Combo class is an hour-long class for our youngest dancers, ages 3 - 5. We will introduce the basics of ballet and tap technique through imagination, play and creative dance.

Introductory Classes

PreBallet 1, PreBallet 2 and Beginning Tap are 45-minute introductory classes where dancers learn basic ballet and tap technique and terminology through the use of music, props and imagination in a supportive and encouraging environment. PreBallet 1 is for ages 4 and up. PreBallet 2 and Beginning Tap are for ages 5 and up.

Beginning Classes

All level 1 & 2 classes are for dancers ages 7 and up. Ballet 1 & 2 transition into a formal class setting after taking the prerequisite PreBallet classes. Tap, Musical Theatre Dance and Lyrical are beginner level classes that introduce basic technique and skills in a supportive and encouraging environment.

Intermediate Classes

All level 3 & 4 classes are for dancers ages 9 and up. Ballet 3 & 4, Tap 3 & 4 and Musical Theatre Dance 3 & 4 build on the foundation that is taught in beginning level classes. Pre-Pointe is by invitation only.

Teen Classes

Teen classes are intended for high school-aged students. Musical Theatre Dance and Ballet are open level. No prior dance experience is required. These classes are designed to welcome dancers of all skill levels to learn and strengthen their technique in a welcoming and safe environment. We will build on choreography each week in Musical Theatre.

Choreo Collective *NEW CLASS*

Choreo Collective is a creative class for dancers enrolled in intermediate level classes or teen classes who are curious about creating their own movement. Throughout the year, dancers will learn about dance composition through improvisation, musicality exploration and collaborative challenges. Dancers will focus on different styles while learning how to build combinations, create formations, collaborate with other dancers and confidently share their ideas in a welcoming environment. This class will work together to choreograph a student-created piece to perform in our spring recital.
